Subject: RE: Deposition dates

Dear Ms. Block,

You are not authorized to speak on my behalf, or make assumptions on my behalf. Please refrain from doing so.

In addition, as I mentioned numerous times during Mr. Beavers' deposition, I believe you are attempting to expand the scope of these depositions well beyond the subject matter of the pending lawsuits. If you intend to ask about "all records relating to Anne Block," I will need to seek a protective order from the court. We discussed this several times during Mr. Beavers' deposition, and it is my understanding that we are at an impasse on this issue. I am open and willing to discuss this further if you feel it will be productive. If not, let me know if you agree that we are at the point where we need a ruling from the court on this issue and I will file the motion.

Thank you,

Subject: Deposition dates

Ms. Hill Pennington,

I am asking for your response by the end of the day as to what dates you'll be available for deposition. Gold Bar's city attorney basically stating I must go get a subpoena, thus implying that she does not represent you.

Topic of conversation in this deposition will be " all records relating to Anne Block." If I do not hear from you by the end of the day today, I will unilaterally schedule your deposition according to Ms. Ragonesi and my schedule.

Anne
